

FY13 Alumni Club Annual Report

Dear Alumni Club Leaders,

We are proud to present the **FY13 (June 2012-June 2013) Alumni Club Annual Report**. The findings in this report will serve as the foundation for much of the work of the Regional Engagement Team in the coming year. This is the first year an alumni club annual report was compiled in efforts to provide a complete picture of the breadth of activities offered by our alumni clubs. We are pleased to share these results with you.

The Alumni Club Annual Report highlights the extraordinary work that the alumni clubs around the globe are doing throughout the year. Our alumni clubs continue to grow with 39 chartered alumni clubs and we have already mobilized three new international markets (Colombia, Middle East, and Spain) in FY14. Our alumni clubs have engaged over 5,000 alumni at over 400 separate events, an outstanding achievement, by all measures!

We hope that you see the importance of the formal collection of engagement information since we know that this report represents only a fraction of the dedicated efforts our alumni clubs do on a regular basis to connect local constituents to the University of Miami.

Thank you for your tremendous amount of dedication and volunteerism to University of Miami. We look forward to another great year.
