FY14 Alumni Club Annual Report

Dear Alumni Club Leaders,

We are proud to present the **FY14 (June 2013-May 2014) Alumni Club Annual Report.** The findings in this report will serve as the foundation for much of the work of the Regional Engagement Team in the coming year. This report was compiled to provide a complete picture of the breadth of activities offered by our alumni clubs. We are pleased to share these results with you.

The Alumni Club Annual Report highlights the extraordinary work that the alumni clubs around the globe are doing throughout the year. Our alumni clubs continue to grow with 40 chartered alumni clubs including our newest international market, Brazil. Our alumni clubs have engaged over 5,700 alumni at over 300 separate events, an outstanding achievement, by all measures!

We hope that you see the importance of the formal collection of engagement information, since we know that this report represents only a fraction of the dedicated efforts our alumni clubs do on a regular basis to connect local constituents to the University of Miami. In addition, we are pleased to provide you with a demographic report of alumni in your geographic region. We hope this information will assist you with determining the scope of programs that interest alumni in your area and therefore tap into the greatest potential for your alumni club's success.

Thank you for your tremendous amount of dedication and volunteerism to University of Miami. We look forward to another great year.

Go 'Canes,

Veena Abraham, J.D.'09   Andy Vittor, B.B.A.'04, M.B.A.'06   Bronwyn Mills
